

Going Away With..... opportunities

Leaders info sheet

General information

What is this all about?

Its an opportunity to learn about camping with your young members. There will be some training specifically for you whilst the young members are being supervised but most of the weekend you will be asked to act as an adult on camp. All the time there will be experienced leaders available but you will be responsible for your guides/rangers. You may bring 4-8 young members with you. You can bring more adults if you want to. The catering and first aid will be covered for you. You do not need a licence. You must have a safe space 1 and 2 and a current DBS.

What will I need to bring?
